Verse:

Dsus2 D/F# **G*** **A** R1 **Dsus2**
When your legs don't work like they used to before
D/F# **G*** **A** R1 **Dsus2**
and I can't sweep you off of your feet
D/F# **G*** **A** R1 **Dsus2**
will your mouth still remember the taste of my love
D/F# **G*** **A**
will your eyes still smile from your cheeks
D9 D/F# **G*** **A** **D9 D/F# G* A**
and darling I will be loving you 'til were seventy
D9 D/F# **G*** **A** **D9 D/F#**
and baby my heart could still fall as hard at twenty three
G* **A**
and I'm thinking about how

Prechorus:

Em **A** **D**
people fall in love in mysterious ways
Em **A**
maybe just a touch of a hand
Em **A** **Em**
well me I fall in love with you every single day
Em **A7**
and I just wanna tell you I am

Chorus:

D9 D/F# G* A
so honey now
D9 D/F# G* A
take me into your lovin' arms
D9 D/F# **G* A**
kiss me under the light of a thousand stars
D9 D/F#
place your head on my beatin' heart
G* **A**
I'm thinking out loud
Bm A G* D/F# A7* A7 D9
and maybe we found love right where we are

Verse 2:

when my hairs all but gone and my memory fades

and the crowds don't remember my name
when my hands don't play the strings the same way, hmmmm
I know you will still love me the same
'coz honey your soul
could never grow old it's evergreen
and baby your smiles forever in my mind in memory
I'm thinking about how

Prechorus:

people fall in love in mysterious ways
and maybe it's all part of the plan
we'll I'll just keep making the same mistakes
hoping that you'll understand

Chorus:

baby now
take me into your lovin' arms
kiss me under the light of a thousand stars
place your head on my beatin' heart
I'm thinking out loud
and maybe we found love right where we are

Solo:

Dsus2-D/F#-G*-A repeat 4x

so baby now
take me into your lovin' arms
kiss me under the light of a thousand stars (oh darlin')
place your head on my beatin' heart
I'm thinking out loud
that maybe we found love right where we are
and baby we found love right where we are
and we found love right where we are

just tell me if I named some chords incorrectly :)
