

Artist: P!nk
Song: Just Like Fire

[Intro]

Em C G Am

[Verse]

Em **C**
I know that I'm running out of time
G **Am**
(I want it all, mmm, mmm)
Em **C**
And I'm wishing they'd stop tryna turn me off
G **Am**
I want it all, mmm, mmm
G **C** **G**
And I'm walking on a wire, trying to go higher
G **Am**
Feels like I'm surrounded by clowns and liars
G **C**
Even when I get it all the way
G
(I want it all, mmm, mmm)

[Pre-Chorus]

Am **Em** **C** **G**
We came here to run it, run it, run it
Am **Em** **C** **G**
We came here to run it, run it, run it

[Chorus]

Em **C**
Just like fire, burning out the way
G
If I can light the world up for just one day
Am **Em** **C**
Watch this madness, colorful charade
G
No one can be just like me any way
Am **Em** **C**
Just like magic, I'll be flying free
G
I'mma disappear when they come for me
Am **Em** **C**
I kick that ceiling, what you gonna say?
G
No one can be just like me any way
Am **Em** **C** **G** **Am**
Just like fire, uh...

[Verse]

Em **C** **G** **Am**
And people like to laugh at you cause they are all the same (mmm, mmm)
Em **C** **G** **Am**
See I would rather we just go our different way than play the game
Em **C**
And no matter the weather, we can do it better
G **Am**
You and me together forever and ever
Em **C** **G** **Am**
We don't have to worry about a thing about a thing

[Pre-Chorus]

Am **Em** **C** **G**
We came here to run it, run it, run it
Am **Em** **C** **G**
We came here to run it, run it, run it

[Chorus]

Em **C**
Just like fire, burning out the way
G
If I can light the world up for just one day
Am **Em** **C**
Watch this madness, colorful charade
G
No one can be just like me any way
Am **Em** **C**
Just like magic, I'll be flying free
G
I'mma disappear when they come for me
Am **Em** **C**
I kick that ceiling, what you gonna say?
G
No one can be just like me any way
Am **Em** **C** **G**
Just like fire, fire, fire
(Running, running, running)
Am **Em** **C** **G**
We can get 'em running, running, running

[Bridge]

Am **Em**
So look I came here to run it

Just cause nobody's done it
Em
Y'all don't think I can run it

But look, I've been here, I've done it
Em
Impossible? Please

Watch, I do it with ease
Em
You just gotta believe

Come on, come on with me

Em

Oh, what's a girl to do?
(What, what!?)

Em

Oh, what's a girl to do?
(What, what!?)

Em

Oh, what's a girl to do?
(What, what!?)

Em

Oh, what's a girl to do?

[Chorus]
