It's been a long day without you my friend

And I'll tell you all about it when I see you again

We've come a long way from where we began

```

Verse

```
Em   G       C  
    Damn who knew all the planes we flew  
G  
Good things we've been through  
    Em       G  
That I'll be standing right here  
          C  
Talking to you about another path I  
G  
Know we loved to hit the road and laugh  
Em       G  
But something told me that it wouldn't last  
          C       G  
Had to switch up look at things different see the bigger picture  
Em       G       C       G  
Those were the days hard work forever pays now I see you in a better place  
Em   G  
    uh  
          C       G  
How could we not talk about family when family's all that we got?  
Em       G  
Everything I went through you were standing there by my side  
          C       G  
And now you gonna be with me for the last ride
```

Chorus

It's been a long day without you my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh I'll tell you all about it when I see you again
When I see you again

Ohhh ohh ohhh ohhhh

Verse 2

First you both go out your way
And the vibe is feeling strong and what's
Small turn to a friendship a friendship
Turn into a bond and that bond will never
Be broke and the love will never get lost
And when brotherhood come first then the line
Will never be crossed established it on our own

When that line had to be drawn and that line is what
We reach so remember me when I'm gone
Uh
How could we not talk about family when family's all that we got?
Everything I went through you were standing there by my side
And now you gonna be with me for the last ride

Bridge

So let the light guide your way
Hold every memory as you go
And every road you take
Will always lead you home

Chorus
